Our core lies in making sure people can focus on what matters most in their work through digitizing workflows. By adding real value, we deliver new and better experiences in the employee journey, empowering them in making the difference in their work, for people and in society. We are located in the Netherlands, Belgium, Germany, US and India – focused on delivering implementation, advisory and strategic services through the ServiceNow platform. We have a flat organization structure, where open communication is important. Everyone teams up to deliver the best results, which allows everyone to pitch in.

This position is for our office in Frankfurt, Germany.

What do we have to offer?

Working at Plat4mation evolves around working from your internal drive to drive change in combination with having fun. Joy is what connects us and what drives us to get the best out of ourselves. That's why we host several Fun4U activities each year, like a hackathon, office massages, drinks and inspiring lunch sessions (check out our [Instagram!](#)). Your development is our number one priority. This means you get room to grow. We strongly believe that personal development and ambitions are key to our company's success. Because when you keep learning, you continuously improve yourself. That's why we coach you on the job, but also help you to explore and develop your interpersonal skills.

We offer you the following:

- Market conform salary
- Vacation allowance
- Pension contribution
- Flexible work environment in modern offices
- Modern laptop
- Internet allowance
- 50% reimbursement of incurred public transportation expenses (per month)
