Strategy manager ON HOLD FOR NEW APPLICATIONS

Description

Do you have more than 5 years of experience in leading strategic digital transformation projects? Then you've ended up at the right place! We're looking for a Digital Strategy Lead, a true strategist that has outstanding expertise in strategic management consultancy.

What will you do?

Based in our office in Utrecht (the Netherlands), our Digital Strategy Lead will work in a team to support customers with their high-level decision making. You will be part of our senior management team and you will contribute to develop our digital transformation capabilities of the team. With your vision, you strengthen our strategic management consulting position and deliver the highest value to our customers.

Responsibilities

You help our customers by analyzing their business challenges using best practice management models. Then, you translate your advice in business and IT roadmaps. As such, you guide organizations through their entire digital transformation journey, including communication change readiness and stakeholder and end-user engagement. You apply business and IT operating models to accelerate transformation projects.
